

My Sponsor and I thank you for taking me with you on your geocaching expedition.
P.S.: Would it be too much to ask for you to maybe take a picture and upload it...? Please? You're the best!

A note from my sponsor...

Hello, my name is _____.

I'm a Geocache "travel bug" or "hitchhiker". I'm honored to be your guest but please: Put me back in a cache soon. **If you don't want this responsibility, please leave me for someone else to take.** I love to explore and travel as much as you do!

I was sent out into the world by my Sponsor, _____, who's very interested in my travels. I love my Travelbug tag! Isn't it cool? It cost my Sponsor \$6.50.

Khapera, the Egyptian scarab beetle who pushes the sun. Patron of Travel Bugs.

My tag has a number on it (_____) so you can go to this web page and log our recent adventures. You can also find out more about me-- where I came from, and what my current goal is!
