

## BURROUGHS & CHAPIN COMPANY, INC.

A public auction of some items from the former Myrtle Beach Pavilion Amusement Park and items from other Burroughs & Chapin Company properties will be held Thursday, April 26, 2007 at the Pavilion Parking Garage located at 9<sup>th</sup> Avenue North and Kings Highway in Myrtle Beach. The gate will open at 8:30am and the auction, managed by John Henry, a professional auctioneer, will begin at 10:00am. Cash, Visa and MasterCard, and personal checks with proper credentials will be accepted. All sales will be final with no warranties given or implied. Many items will be auctioned off individually, although the auctioneer may also at his discretion auction off items as a group.

Included in the auction are Pavilion arcade games, benches from the Pavilion and other company properties, figures from the Myrtle Square Mall carousel (not the Pavilion carousel), commercial kitchen items, old lawn maintenance items, formal and informal chairs, old desks and other miscellaneous items from various company properties.

Pavilion Amusement Park items of historic value have been retained by Burroughs & Chapin for use at its other properties, such as The Pavilion Nostalgia Park, which will open this summer in the Heroes Harbor section of Broadway at the Beach.
